Revel in the quintessential Florida lifestyle in this beautifully appointed Carver model, ideally set within The Isles. From the moment you arrive, the home welcomes you with a sense of warmth and ease, seamlessly blending comfort, and refinement. The thoughtfully designed floor plan offers a private office, three bedrooms, and a formal dining space, creating an inviting yet functional layout for everyday living and entertaining alike. The upgraded kitchen is both stylish and practical, featuring an oversized quartz island, abundant cabinetry, and generous storage. Notable builder upgrades include plantation shutters throughout, masonry construction, foam insulation with radiant barrier, elegant crown molding, a spa-inspired primary suite with a freestanding soaking tub, and custom built-ins within the dual primary closets. The beautifully finished great room opens effortlessly to the outdoors, where a custom pool, gas fire bowls, and expansive entertaining space await. With the touch of a button, remote-controlled hurricane screens provide comfort and protection, while the heavy-duty lanai enclosure was purposefully constructed to withstand Florida storms. The serene water view is enhanced by not one, but two cascading waterfalls, creating a truly picturesque backdrop.
